

Leading our community in making early care & education work!

“When things were overwhelming and I did not know where else to turn, CCR was there, always willing to help. I was truly supported by caring people through an extremely difficult time.”

Dear

Child Care Resource is our community's local child care hub. It's where families with child care needs develop relationships that see them through their child care years. In 2014, Child Care Resource stabilized nearly 200 families in crisis. *Your support matters!*

Meet Mary Beth – daughter, mother, and grandmother. Mary Beth and her husband were already caring for her elderly mother when they had to step in to care for their infant grandson. Feeling overwhelmed, Child Care Resource was just the lifeline they needed.

Grateful to be able to receive personal support locally, Mary Beth was welcomed into the office at CCR in Williston and immediately felt relief when greeted by Wendy, one of CCR's Child Care Specialists. Mary Beth saw that Wendy was truly interested in helping her and this laid the foundation for a trusting relationship.

With Wendy's help, Mary Beth secured child care and financial assistance for her grandson. Now 4 ½, her grandson is thriving at his child care center and receiving a solid foundation in life that Mary Beth feels was made possible with CCR's help.
